

# INSTALLATION

-----**Email** :Leotheme@gmail.com

---**Preamble** :Before anything else made a backup of your files

## 1-INSTALLATION AUTOMATIC (Prestashop 1.5)

Install template follow:

○BACKOFFICE >MODULES (ADMINISTRATION)

The screenshot shows the PrestaShop 1.5 administration interface. The top navigation bar includes links for Catalog, Orders, Customers, Price Rules, Shipping, Localization, **Modules** (highlighted with a red box), Preferences, Advanced Parameters, Administration, and Stats. Below the navigation bar, the page title is 'Module : List of modules'. On the left, there is a 'Categories' sidebar with a list of categories and their counts. The 'Administration' category is highlighted with a red box. The main content area displays a list of modules. The first module, 'Template Installer (Addons)', is shown with a 'NOT INSTALLED' status and an 'Install' button (highlighted with a red box). A red arrow points from this 'Install' button down to the next screenshot.

Categories	Count

Front Office Features	40

Module name	Status	Action
Template Installer (Addons)	NOT INSTALLED	Install

The screenshot shows the PrestaShop 1.5 administration interface after installation. The top navigation bar is the same as the previous screenshot, with 'Modules' highlighted. The 'Categories' sidebar on the left shows the 'Administration' category highlighted with a red box, now with a count of 9. The main content area displays a list of installed modules. The first three modules are 'Artichow', 'Google Chart', and 'Import/export a theme', all with 'INSTALLED' status and 'Uninstall' buttons. The 'Import/export a theme' module has a 'Configure' button highlighted with a red box.
